

# The Fellowship REVEAL Spiritual Life Survey

*Help us help you in your spiritual growth.*

*Our church vision* is Colossians 1:28: "... to present every person mature in Christ."

- That is, to help everyone know Jesus, experience community and serve our world.
- As church leaders, we are to serve by "knowing the condition of the flock"  
(Acts 20:28-31, 1 Peter 5:2)

*But our church reality* is that everyone is at different places in their spiritual journey.

So to "know the condition of the flock" (determine where we are as church, spiritually) and to better serve the flock (help everyone toward maturity in Christ) ... *we need your help.*

That's why we're asking everyone who calls Fellowship his or her "church home" to "help us help you in your spiritual growth" by participating in the Fellowship REVEAL Spiritual Life Survey. It's not an opinion poll, but a way for us to accurately measure spiritual growth of Fellowship Bible Church.

- It takes about 30 to 40 minutes to complete the survey online
- It's personal, confidential and totally anonymous
- It's ready when you are ... take it anytime at home day or night, online
- It's available to take between Feb. 7 and Feb. 22. Just click on the link we'll provide you and start.
- It's administered by a highly respected and experienced Christian research organization that has surveyed more than 157,000 church attendees in more than 500 churches, nationwide since 2004.

The Fellowship REVEAL Spiritual Life Survey combines all of our survey responses as individuals and provides the first complete, comprehensive and composite picture of spiritual growth at Fellowship Bible Church.
