your world
this Christmas!

Fellowship's
Christmas Toy Store

Fellowship's Christmas Toy Store

Today, thousands of people in our Roswell community belong to working poor families. They live below the poverty threshold despite having at least one family member who works. Although these people strive to secure adequate income, purchasing toys for Christmas this year will be a struggle. Toys collected during our Toy Store Drive will be distributed to working poor families with toys for their children. Specifically, we are partnering with three local schools: Mimosa Elementary, Elkins Pointe Middle and Crossroads Second Chance North High School.

There are three ways for you, your family and your community group to be involved:

- Buy a toy for a child. Take an ornament from one of the Christmas trees in the West Alcove, Welcome Center or Children's Ministry area. Purchase and return the gift listed on the ornament to Fellowship by December 13th. Please bring all gifts to one of the three Christmas tree stations.
- Buy food supplies for a Christmas food basket. Each family we serve will get a turkey basket, complete with all the trimmings. Pick up your food item list at one of the Christmas tree stations.
- Come serve at the Toy Store Christmas party! We will need many volunteers to serve at the Mimosa Elementary party on Thursday, December 17th, from 5:15 – 9 p.m. Please sign up at one of the Christmas tree stations today.
